

Clover Benefits (Duo)

Key Features:

Streamlined Payments: Seamless integration for both in-store and online payments.

Inventory Management: Real-time inventory tracking to help you stay on top of stock levels.

Advanced Reporting: Detailed analytics on sales, customer behavior, and staff performance.

User-Friendly Interface: Intuitive design for both employees and customers, reducing transaction times and enhancing customer experience.

Customer Convenience: Improve customer experience by accepting payments right on the spot, minimizing wait times at checkout.
